PROFILE

It was 1994, that my beloved Father stepped into the field of DENTAL as a labor in a factory. After his great hard work, he started his own business on a small level with the name **"SAKHAWAT ALI DENTAL SYRINGES MAKER"** in 1997. And started giving it to the local exporters. Due to the excellent quality, Great Services, His work very soon made his name in the market. Then he decided we would add more Machinery for dental Syringes and then bought modern Manual and Auto Machines also hired experienced and qualified employees. NOW WE ARE SUPER-SPECIALISTS MANUFACTURER AND SUPPLIER OF DENTAL SYRINGES.

We trust in continuous improvement of productivity, quality, services, relationship, and human resources to achieve our Customers goal and satisfaction.

Our products are being manufactured on basis of International confirmatory Laws, regulations, and CE APPROVED. The quality of each product is tested by Quality control Professionals on every step of Production Process and before it arrives at the delivery counter. Buy our Syringes, be our business Associates, and remain satisfied.
